### EMPLOYMENT

- 2003-Present** Private Therapist Denton, TX  
Specialize in therapy for childhood trauma and adjustment issues, divorce and high conflict custody issues, provide play therapy, group counseling, individual counseling, parenting training, filial therapy. Referral sources include Child Protective Services, Denton ISD, private schools, other therapists, insurance companies, lawyers.
- 2001-2003** Therapist LSSS  
Nelson Center Denton, TX  
The Nelson Center, a residential treatment facility, serves clients from the age of 5 to 16, both boys and girls. Most referrals are from CPS, or JPD for children with severe behavioral and emotional difficulties. Most have a severe history of physical abuse, sexual abuse, and/or neglect. Some are post-adopt, some are in the process of family termination, some are in the process of family reunification. Individual, group, and family therapy is offered in order to make transition from the locked facility to homes easier for the child and to assist the family in the healing process. Serve 15 clients per week in all modalities using play therapy, art therapy, and parent training. Teach direct care workers to handle severe and dangerous behaviors and assist them in teaching alternate, more appropriate behaviors to clients through cognitive behavioral techniques. Discuss post traumatic issues with clients, staff and families. Assist families in difficulty decisions. Deal with variety of issues such as anger management, battering, suicidal ideations, and sexual assault.
- 2000-2001** Therapist/Therapist Associate Burke Center  
Family Counseling Associates Livingston, TX  
FCA , an MHMR facility, serves clients with ages from 3 to 18. Referral issues included Bipolar Disorder, psychosis, depression, ADHD, school problems, probation issues, and abuse issues and all emergency cases for 3 counties. Served 15 to 25 clients per week in play therapy, family therapy, parent training, and group therapy settings. Carried individual clients for long-term therapy, working with the families as needed. Wrote all rehabilitation plans for skills trainers, as well as contacting parents to discuss plans and services. Facilitated first summer camp for clients, which ran 5 days a week. 6 hours a day for 3 weeks. Promoted when licensed. Filled in as office staff, skills trainer or social worker as needed.
- 1999-2000** Service Coordinator, QMHP Burke Center  
Adult Clinic Livingston, Tx  
The Adult Clinic, an MHMR facility, serves adults over the age of 18 with chronic mental health difficulties. Referral issues include Major Depression, Bipolar Disorder, psychotic disorders, Borderline Disorder, Anxiety Disorder with an age range of 18 to 70. The program taught skills such as money management, diagnosis management, anger management, and social skills. Provided individual therapy for 1 to 3 adults per day. Planned, and implemented 3 groups of 8 clients per day with contact for at least 6 hours per day, as well as therapeutic day trips and community experiences for groups.
- 1996** House Parent Brazoria County  
Youth Services Angleton, Tx
